

CENTERVILLE NEWS UPDATE

March 2017

NEWS ON UPCOMING CENTERVILLE JULY 4TH CELEBRATION!

For a complete schedule of activities, parade, food and fun go to www.centervilleut.net

Volunteers Needed: Come join in the fun and volunteer. Volunteers are needed to help with the Parade, the July 4th Breakfast, the Children's Parade, the 5K Race & Children's Run, Street Stomp and entries for the Art & Quilt Show. For contact information on how you may help or to submit an entry, please visit: www.centervilleut.net.

A Call for Talent: Reaching out to all those interested in our *Centerville's Got Talent* competition. Just like the TV show, if you have talent in singing, stand up, dance, juggling, or whatever, we want to see you on our stage! Auditions are April 18th at 7:30 pm at Centerpoint Legacy Theater. Contact Jackie Smith at haley3po@msn.com or by phone at (801)541-3507.

LAND THAT I LOVE

CHANGE TO PARADE ROUTE!

Centerville's traditional parade will still be on Main Street but will now **begin** at Pages and end around 1450 North. The parade will move from South to North.

SPRING CLEANUP

The FREE green waste pickup will be April 10th to the 21st this year. You may begin putting your green waste on the street next to the curb **no sooner than April 7th, but please have it on the street no later than April 9th.**

Rules to follow:

- Limited to one dump truck load per residence
- Keep items away from mailboxes and trash cans
- Keep items away from parked vehicles
- Do not bag or box your items – when bagged or boxed, they cannot be processed
- Clean green waste only – this includes tree trimmings, bushes, etc. – no grass clippings, sod, appliances, etc.
- Branches and tree stumps cannot be any larger than 10 ft long and 18 inches in diameter - root balls cannot be picked up

Please do not put green waste in the park strip - the heavy machinery could damage your lawn.

CHANGES FOR NEXT YEAR

Although the City Council has decided to offer this curbside pickup service again this year, they have agreed a change is appropriate next year to reduce the impact on the City's storm drain system. To address these concerns, the City Council is looking at the option of providing drop-off locations next year, where residents can take their bulk green waste in the spring during a designated period.

The Unsung Heroes of Centerville

Soon to be available is former Mayor Neil L. Blackburn's "**The Unsung Heroes of the Centerville, Utah Flood of 1983.**" It is probably the most complete documentation of what Centerville experienced during those horrific times and contains 330 pages, including 84 pages of colored photographs. It pays homage to many of the citizens that sacrificed so much to save their neighbors and the community from more extensive damage.

If you would like a copy, they are available at cost for \$45.00 which includes State sales tax. You may email Blackburn at nlbassociates37@msn.com to purchase or reserve a copy. First printing will be limited to 250 copies, so reserve your copy early.
